Date:08.10.2024

BULLETIN #1

Sub: Hiring of Agency for Painting Work at Offshore Platform located at SunPetro's Hazira Oil & Gas Fields in Gujarat.

Ref: RFQ/Tender No.: SunPetro/Hazira/Painting Work/2024-25/SPPL-187

Sun Petrochemicals Private Limited (SunPetro), hereby authorized following amendment / clarification in the above referred Tender:

I) BIDDER QUERY RESPONSE

Sl. No.	Bidder Query	SunPetro Clarification
1	Please confirm the exact period of completion of the Project because as per different clauses inside Tender there is no clarity on the same.	Completion period within 2 years from date of award considering two weather windows required for completion of work at offshore. There is option to extend for further period of 1 year as per discretion of SunPetro if required.
2	Whether the storage area will be made available on Platform by M/s Sunpetro.	Yes, SunPetro will provide open storage place at main deck of platform for working period only. After completion of working window, the material has to be shifted back to onshore
3	Provide the required quantity of the emulsifier type detergent solution / cold degreasing chemical under Annexure-C	Contractor has to evaluate this requirement to be used for subject work.
4	Paint manufacturer's representative will be deputed by M/s Sunpetro or has to be deployed by contractor. Also please confirm the scope of accommodation & fooding charges of the representative taken care by M/s Sunpetro or contractor.	Paint manufacturer to be deployed by contractor whenever required. Lodging & Boarding is free at platform and is in SunPetro scope.
5	Confirm the required quantity of the rust converter under Annexure-C	Contractor has to evaluate this requirement to be used for subject work.
6	Contact details of M/s Jotun Paint Manufacturer.	Contractor to find out. Please refer to the additional clarification attached below adding more paint suppliers.
7	As per the suggested make of paint i.e. M/s Jotun, the warranty of paints also has to be given by M/s Jotun. The guarantee provided by M/s Jotun will be passed on to M/s Sunpetro. Please provide the clarity in case M/s Jotun will not provide the guarantee for 05 Years.	SunPetro requires 5-year warranty for painting from contractor.
8	whether lodging & fooding will be on chargeable basis.	Lodging & Boarding at platform is free and in SunPetro scope
9	Confirm whether the mentioned certificates are mandatory.	Yes, required as per HSE guidelines.
10	Please provide the quantity of scaffolding under Annexure-C.	Contractor has to evaluate the requirement

11	As per 1.7, we need to submit the bid through email. However as per clause 1.0, the bid should be submitted in wax sealed envelope. Kindly clarify whether the bid should be submitted in email format or hard copy	Bidder to submit hard copy as well as soft copy of the bid.
12	Surface preparation is to be carried out as per international standards SSPC/NACE/ Swedish standards comparable to SA 2.5 with an anchor profile of 50-75 µm Do we need to carry out blasting for the entire AREA location in splash zone, spider deck & atmospheric ZONE?? For blasting, copper slag shall be used.	Surface preparation as per the paint manufacturer's approved procedure and as per best industry practices
13	Many manufacturers don't give recommendation for rust converter due to compatibility issue.	As per Paint Manufacturer recommendation/standard/ as per best industry practices
14	The specified coating system (03 coats with PU as topcoat) may not perform well in splash zone. Due to continuous exposure of the structure with saline water ; the specified paint may not DRY and lead to premature failure. Also, TOP coat (PU) performance can be badly compromised even if come in contact with small qty of water We request for fast curing, high build , single coat & High DFT (+600 mics) for such locations	Given coating scheme is as per survey conducted by Jotun. Coating scheme from Asian Paints & Nerolac are also acceptable. However, SunPetro wants 5-year warranty on paint application.
15	Baltoflake FC can be bit brittle for floor application. Coating system with better flexibilities /elongation may work better	Given coating scheme is as per survey conducted by Jotun. Coating scheme from Asian Paints & Nerolac are also acceptable. However, SunPetro wants 5-year warranty on paint application
16	Medical certificates- what are the minimum test that are required to be covered.	Medical test is as per Form 'O' as per Mines Act (copy attached). Certificate to be signed minimum by MBBS doctor.
17	Request client to intervene and coordinate with the mfg.	Contractor has to coordinate with paint manufacturer.
18	Within 15 days. 15 days are very narrow time frame for offshore mobilisation. Request you to revise it to 28 Days.	Mobilisation with in 28 days is acceptable.
19	Surface preparation is to be carried out as per international standards SSPC/NACE/ Swedish standards comparable to SA 2.5 with an anchor profile of 50-75 µm Do we need to carry out blasting for the entire AREA location in splash zone, spider deck & atmospheric ZONE?? For blasting, copper slag shall be used.	Given scheme is as per survey conducted by Jotun. Surface preparation scheme from Asian Paints & Nerolac are also acceptable. However, SunPetro wants 5-year warranty on paint application
20	Request you to CAP LD @ 5 %	As per tender.
21	Request to keep the BG @ 5 % of the annual value of the contract.	As per tender.
23	Guarantee is required for 05 years. With the specified system , we request you to kindly revise the warranty period to 03 years.	SunPetro requires 5-year warranty for all painting work from contractor.

	Also, the specified paint for splash zone may not perform adequately due to continuous exposure to saline WATER & dry/wet cycle. Also, kindly advise the acceptable degree of degradation of applied coating systems during the warranty period	
24	-	<p>Validity of Contract period Bidder to read as Validity of Contract period, wherever is mentioned in the RFQ / tender document as follows: <u>2 years with option to further extend for a period of 1 yr. or as per discretion of Sunpetro</u></p>

II) **ADDITIONAL CLARIFICATIONS**

PAINT BRAND

Asian Paints & Nerolac Paints are added in the approved brand list along with Jotun for more options.

Bidder to submit rates as per revised price schedule format attached herewith at Annexure-I for Jotun Paint, Annexure-II for Asian Paints & Annexure-III for Nerolac Paints.

Bidder can now submit bid with considering any one or all brands from approved brand list.

The Price schedule issued along with RFQ No.: SunPetro/Hazira/Painting Work/2024-25/SPPL-187 to be treated as Null & Void.

REVISED PRICE SCHEDULE FORMAT

A) Bidder to quote unit price for Painting work at Offshore Platform located at SunPetro's Hazira Oil & Gas field in Gujarat in the below table.

A.1 Paint Manufacturer: Jotun

SCHEDULE OF RATES FOR SURFACE COATING					
S. No.	Area Description	UOM	Quantity	Rate /Unit (Rs.)	Amount (Rs.)
1	Splash Zone	M ²	1200		
2	Spider Deck	M ²	1400		
3	Atmospheric Steel Structure	M ²	15050		
4	Tank & Vessel	M ²	300		
5	Conductor Casing & X- mass Tree	M ²	200		
6	Hand Railing	M ²	1500		
7	Flooring	M ²	2500		
8	Piping, Flange & Valves	M ²	1800		
9	Carbon Steel Structure exposed to temp > 80 ⁰ <600 ⁰ C	M ²	30		
10	Helideck	M ²	300		
11	Internal Coating of Pot Water Tank & sea water tank	M ²	200		
12	Fire Wall	M ²	160		
Total Area in SQ M			24640		
				Total Cost in Rs.	

B) Bidder to quote unit price for Painting work at Offshore Platform located at SunPetro's Hazira Oil & Gas field in Gujarat in the below table.

B.1 Paint Manufacturer: Asian Paints

SCHEDULE OF RATES FOR SURFACE COATING					
S. No.	Area Description	UOM	Quantity	Rate /Unit (Rs.)	Amount (Rs.)
1	Splash Zone	M ²	1200		
2	Spider Deck	M ²	1400		
3	Atmospheric Steel Structure	M ²	15050		
4	Tank & Vessel	M ²	300		
5	Conductor Casing & X- mass Tree	M ²	200		
6	Hand Railing	M ²	1500		
7	Flooring	M ²	2500		
8	Piping, Flange & Valves	M ²	1800		
9	Carbon Steel Structure exposed to temp > 80 ⁰ <600 ⁰ C	M ²	30		
10	Helideck	M ²	300		
11	Internal Coating of Pot Water Tank & sea water tank	M ²	200		
12	Fire Wall	M ²	160		
Total Area in SQ M			24640		
Total Cost in Rs.					

C) Bidder to quote unit price for Painting work at Offshore Platform located at SunPetro' s Hazira Oil & Gas field in Gujarat in the below table.

C.1 Paint Manufacturer: Nerolac

SCHEDULE OF RATES FOR SURFACE COATING					
S.No.	Area Description	UOM	Quantity	Rate /Unit (Rs.)	Amount (Rs.)
1	Splash Zone	M ²	1200		
2	Spider Deck	M ²	1400		
3	Atmospheric Steel Structure	M ²	15050		
4	Tank & Vessel	M ²	300		
5	Conductor Casing & X- mass Tree	M ²	200		
6	Hand Railing	M ²	1500		
7	Flooring	M ²	2500		
8	Piping, Flange & Valves	M ²	1800		
9	Carbon Steel Structure exposed to temp > 80 ⁰ <600 ⁰ C	M ²	30		
10	Helideck	M ²	300		
11	Internal Coating of Pot Water Tank & sea water tank	M ²	200		
12	Fire Wall	M ²	160		
Total Area in SQ M			24640		
Total Cost in Rs.					

Notes:

- Bidder has to consider manufacturer recommended coating system (paint/primer grade and thickness). Report on manufacturer recommendation shall be submitted along with technical bid and no deviation shall be accepted.
- Above Area mentioned is for estimation purpose. The actual area may vary as per requirement. The payment will be based on the actual Surface area Coated.
- The contractor will not get any other payment whatsoever on account of Surface Coating & Painting etc except mentioned in the tender document. Therefore, the contractor has to quote the rates in price bid format inclusive of all as defined above in scope of work including supplies.
- The rates indicated above comprises cost of personnel (Including supervisor, painter and safety officer), supply of coating material, chemical required, tools & tackles, surface cleaning & preparation, mob/demob transportation, insurance, medical, statutory levies, taxes (except GST), duties including consumables for Surface Coating, housekeeping, erection of scaffolding with scaffolding material etc. as per scope of work.
- Advance payment shall not be made by Company to the Contractor against this Contract.
- Contractor shall be paid the due amount on monthly basis against the invoices within 30 days of submission of certified invoice.
- Measurement philosophy as per clause – 7 of Annexure-A (Scope of Work)

All other terms and conditions of the tender remain unchanged.

Regards,

Sun Petrochemicals Pvt. Ltd.
