BULLETIN #2

Sub: Procurement of Sucker Rod Pumps of different sizes for Bhaskar Field.

Ref: RFQ No.: SunPetro/Bhaskar/SRP/2024-25/SPPL-184

Sun Petrochemicals Private Limited (SunPetro), hereby authorized following amendment / clarification in the above referred RFQ/Tender:

Sr. No.	Bidder Query	SunPetro Response
1	<p>We are dealing with the NRV part, there is something contradictory. As you can see from the picture bellow, the size is different from the parameters. While usually 3" match with DN80, 2" match with DN50. Maybe the parameters are wrong? This question exists in both part of quotations. Please check it. We can produce all these, but we need to make things clear. What's more, the quantity is not mentioned, please express clearly. Despite all these, I think we are ready for all the elements. By the way, according to the policy, exporters are not allowed to export machines with fuel installed, we have to pour out the oil and ship the machine itself. Please excuse us on that.</p>	<p>NRV's as per Price Schedule i.e. Line-Item No. 19. NRV (2" X 600) (Plug & Seat type) as per API 6D for both SRP units i.e. SRP SURFACE UNIT- Standard: API – 11 – E, Model: C – 456 – D – 256 – 144 & SRP SURFACE UNIT, Standard: API – 11 – E, Model: C – 912 – D – 365 – 168 are now not required</p> <p>Bidder to quote for all items in the Price Schedule except NRV's mentioned above.</p>
2	<p>Bidder request to extend the date of Tender/RFQ submission.</p>	<p>Tender/RFQ Closing / Bid Submission Date & Time has been extended up to 13th November 2024 15:00 Hrs IST.</p>

All other terms and conditions of the RFQ/Tender remain unchanged.

Regards,

Sun Petrochemicals Pvt. Ltd
