|----------------|--|---|--|
| 1 | Materials, Supplies, Equipment, Services and Personnel Any item supply / services requested by Company during contract period to complete the work shall be provided by Contractor. Contractor shall provide all diving or ROV equipment, inspection tools, sonar imaging, and data logging software as per international marine inspection standards (e.g., DNV-ST-F101 or API RP 2A) (Clause No.3.3) | Kindly advise details on 1) Sonar Imaging 2) Data Logging software Contractor does not envisage usage of above for inspection scope. | These two items/equipment are not required during the execution of work. However, contractor to ensure the availability of All the equipments, Tools & Tackles required to complete the job in all respects as per scope of work. |
| 2 | Additional Services, Materials, Supplies and Equipment If it is not a part of contract, Company will pay based on agreed cost or actual cost plus 2.5% handling / service charges in case cost is equal to or above Rs. 25 Lakh and 5% handling / service charges in case cost is less than Rs. 25 Lakh. The proof of item prices shall be submitted in the original language by the contractor to the Company. (Clause No.3.3.1) | Contractor request to revise the handling / service charge to 10% | Tender clause to be followed. |
| 3 | Inspection of Contractor Equipment Company shall have the right at any time to inspect and reject for valid cause any items of equipment furnished by the Contractor for performance of | The contractor requests the company to provide guidance on the criteria for materials and equipment. | Agreed, Diving & inspection Equipment shall be suitable for operations and meet the specified requirement of tender and third-party inspection agency. |

| | | | |
|---|--|---|--|
| | <p>the Services and Contractor shall replace, at no additional cost to Company, such items so rejected with items free from defects or if Company agrees, repair such items at Contractor's cost. All supplied shall be new & unused & shall not be more than one year old from the date of manufacture. Documentary proof shall be provided for the same. Any substandard material received/delivered at site shall be rejected outright. (Clause No.3.4.2)</p> | <p>It is important to note that the diving equipment, while over a year old, has been maintained according to standards and is suitable for diving operations.</p> | |
| 4 | <p>Conduct of Services /supplies The Services shall be performed by Contractor in accordance with Best international petroleum industry practices. The Contractor shall be responsible for all interface issues, related to providing multiple services under the umbrella of Integrated Services as required as per scope of work / services / supplies. Contractor shall execute services using qualified subsea engineers, divers/ROV pilots, and NDT-certified technicians for all inspection activities. All inspection work shall be conducted as per IMCA guidelines, SunPetro Diving Manual, and Job Pack as approved by the TPI agency (e.g., APAVE) (Clause No.3.6.1.)</p> | <p>The contractor will solely be accountable for any issues or interfaces related to diving operations. All other interface matters at the platform or site will require guidance from the company.</p> <p>Diving activities will be conducted in accordance with the contractor's diving manual.</p> | Agreed. |
| 5 | <p>Labour Welfare Cess: All prices are inclusive of all taxes including Labor welfare cess. The Goods and Service tax shall be extra at actual. Each bidder has to provide the proof of deposit of Labor welfare cess to SUNPETRO duly signed by CA of the firm. (Clause No.3.6.5)</p> | <p>The contractor engages a freelancer under a contractor agreement, which means the contractor will not be able to provide a labor welfare cess that is duly signed by the CA.</p> | Contractor to ensure compliance to only applicable statutes including labour laws etc. for the work. |
| 6 | <p>Consequences of Termination: Upon termination of Contract by Company under this sub-clause, the Contractor shall not be entitled to any payment whatsoever. The Contractor shall immediately refund any sum which the Company might have paid to the Contractor under this Contract. Unless, otherwise provided in the</p> | <p>The contractor shall be obligated to refund any advance payments made by the company solely in the event of a contract breach. To facilitate clarity, the contractor requests a detailed quantification of the potential losses.</p> | Tender Clause itself is self-explanatory and to be followed |

| | | | |
|-----|---|--|---|
| | Contract, the Contractor shall compensate the Company for all losses, expenses etc. which the Company shall sustain on account of such breach by the Contractor. Company shall also have the option to forfeit the PBG submitted by the Contractor. (Clause No.3.7.1. (A)) | | |
| 7 | Company may, at its option, de-hire the services of the Contractor due to interruption in the work / unit programme, by giving three (3) days written notice to the Contractor and during this period no charges for equipment and personnel etc. shall be payable by Company. (Clause No.3.7.5) | All equipment and personnel will incur charges until clearance is obtained from the port (Outside port limit) for demobilization activities. | Clause refers to the de-hiring of services due to interruption and not termination. Clarification for demobilization is explained under relevant demobilization clause and conditions |
| 8. | Contractor shall carry or cause to be carried insurance covering all Contractor's Equipment against loss or damage at all times including during transportation to/from the site and at the site. However, Contractor reserves the right to self-insure its own assets. (Clause No.3.19.5) | Diving equipment insurance for offshore activities is not offered by Indian insurance companies. | Only applicable insurances related to Contractor's equipment, personnel etc. to be maintained by Contractor at its own cost. |
| 9. | The Contractor will be required to have insurance coverage for "Oil Industries Endorsement" in its insurance policy. (Clause No.3.19.5) | Contractor awaits information from insurance party and will revert on this | Ok, the reply can be included along with the bid submission. |
| 10. | Permits and Instructions Contractor shall obtain all requisite permits and approvals under Applicable Law for the performance of the Scope of Work / supplies (Clause No.3.20.9) | The responsibility for obtaining all necessary permits and permissions for work at the site, as well as clearances at the port in accordance with applicable laws, will fall under the client's scope. | Agreed |
| 11. | Day-rates or compensation of whatsoever nature shall not apply to time when the Contractor's Equipment/tool is unable to perform to the satisfaction of the Company in accordance with the Contract for any reason. (Clause No.3.22.5) | This will only affect the day rates or compensation of related equipment. | The clause is self-explanatory |
| 12. | BANK GUARANTEE Within fifteen (PERFORMANCE 15) days of the issue of Letter of Intent/ award, the Contractor shall present to the Company a Performance Bond / Bank Guarantee. | Contractor request exclusion of clause | PBG is meant to ensure the participation of genuine Bidders. Contractor has to submit the PBG as per the contract clause |

| | | | |
|-----|--|---|---|
| | (Clause No.3.25) | | |
| 13. | "In absence of DDC (Decompression Chamber) at platform, a contingency location for emergency decompression must be defined." (Clause No.3.29.1.V) | Contractor to provide suitable location for placement of DDC | Preferred location for the placement of DDC is at platform, alternatively the Sun Petro's LBDP location (1.2 Kms from Platform) can be available, however contractor to check the feasibility of placement of DDC at LBDP. The above shall be captured in Risk Assessment. |
| 14. | Transportation: Contractor scope. (Clause No.3.29.1.Vii) | Transportation from port till job site to and from will be in client scope | Agreed. Transportation of material / equipment / manpower from Jetty to platform and vice versa using suitable Tug / Boat is in SunPetro's Scope, however transportation of material / equipment / manpower till Available jetty at, Surat will be in contractors' scope |
