BULLETIN #4

Sub: Rate Contract for Supply of Piping material at SunPetro's CPF Bhaskar Oil & Gas Field in Gujarat

Ref: Tender No. SunPetro/Gujarat/RC for Piping Material/2025-26/SPPL-258

Dear Bidders,

Sun Petrochemicals Private Limited (SunPetro), hereby authorized following amendment / clarification in the above referred Tender:

Sr No	Bidder Query	SunPetro Response
1	<p>In Clause 2.15 of the Instructions to Bidders, it is mentioned that the Performance Bank Guarantee (PBG) will be 10% of the contract value. However, the quantities mentioned in the tender are tentative, and not fixed. As a result, it appears that the PBG requirement based on the entire tentative value could be excessively high, especially considering that procurement will likely be phased and not all materials will be purchased immediately.</p> <p>Bidder has requested the following options for the consideration: Reduction in the percentage of the PBG to reflect the tentative nature of the quantities. Alternatively, or to provide a fixed value for the PBG. And further request the PBG to be based on the 10% of the value of procurement from the previous year related to the items listed in the RFQ.</p>	<p>The subject tender is being floated as a rate contract, wherein the quantities indicated are tentative and intended only for bid evaluation purposes. Actual procurement shall be carried out on a need basis, through individual Callouts, and there is no commitment on the part of the Company to procure the entire tentative quantity.</p> <p>In view of the above, it is clarified that the Performance Bank Guarantee shall be applicable at 10% of the estimated annual order value / first-year expected procurement value, and not on the cumulative tentative value indicated in the tender document.</p>
2	<p>Bidders requested to extend the timeline of submission of tender.</p>	<p>SunPetro extends the bid closing date & time with the new bid submission schedule as below:</p> <p>04th February 2026 at 1500 Hrs IST.</p>

Regards,

Sun Petrochemicals Pvt. Ltd.
